

FLORIDA DEPARTMENT OF TRANSPORTATION - DISTRICT FOUR INVITES YOU TO A PUBLIC MEETING

US 1 Bridge Replacement Project
From CR A1A to CR 707/Beach Road
Palm Beach County, FL
Financial Project ID#: 428400-2-52-01

US 1 BRIDGE REPLACEMENT PROJECT

The Florida Department of Transportation (FDOT), District Four, will host a public meeting both in person and virtually regarding the closure of the US 1 bridge from CR A1A to Jupiter Cove Drive in the Town of Jupiter as a new bridge is constructed. Participants may attend in person or online. Representatives will be available to provide information and answer questions. Project documents will be available at the meeting and at the project website: fdot.gov/projects/jupiterus1bridge/main/bridge-closure-information.

Construction Began: October 2021

Bridge Closure Begins: March 2023

New Bridge Opens: November 2024

TRAFFIC IMPACTS

- A full bridge closure will occur for approximately 20 months beginning March 13, 2023, with traffic detoured to Alternate A1A. Please see detour map.
- No daytime lane closures will occur during the bridge closure.
- Prior to the bridge closure, lane closures may occur 9:30 a.m. to 3:30 p.m. and 9:30 p.m. to 6:00 a.m. Sunday through Saturday on US 1, SR 706/Indiantown Road, Alternate A1A, Old Dixie Highway and CR 707/Beach Road.
- Access to adjacent properties will be maintained.
- Pedestrian and bicycle access will be maintained on Alternate A1A.
- Marine traffic will be maintained with some restrictions in the channel.

DETOUR INFORMATION

- Traffic will be detoured to Alternate A1A as follows:
 - * Northbound motorists will go west on Indiantown Road to Alternate A1A, then go north on Alternate A1A to US 1.
 - * Southbound motorists will go south on Alternate A1A to Indiantown Road, then go east on Indiantown Road to US 1.
- Permanent and temporary intersection improvements were implemented to improve traffic flow along the detour route at the following locations: Alternate A1A and Old Dixie Highway, US 1 and Indiantown Road, Alternate A1A and Indiantown Road, and Alternate A1A (Beach Road) and US 1.
- Intelligent Transportation System technology has been installed to monitor and actively manage traffic to maintain mobility along the detour route.
